KIND WORDS FROM OUR CLIENTS

Reviews & Testimonials

"**Absolutely WONDERFUL from the start.** We don't live on the island so we were planning from afar. He gave us recommendations, ideas, and option and was always there to respond quickly. **The process was so fun and easy.** This made it stress free! Then, on the wedding day **we were blown away!** Our guests stayed on the dance floor until the night ended. Everyone was telling me what a BLAST they had! He even let me get behind the DJ booth which was hilarious and a blast for me! We can never thank you enough for being a huge part of our perfect day!"
Sammie & Mason

"We don't even know where to start, except by saying **THANK YOU, THANK YOU, THANK YOU!!!!** You **SAVED OUR DAY, COUNTLESS TIMES!** I think sometimes people don't realize the importance of your MC and DJ and what a **HUGE** role they play in the wedding day, and I am here to tell them **THIS IS AN INVESTMENT YOU WANT TO MAKE. THE BEST OUT THERE!!**"
Fatima

"Frobaby Productions was the best DJ (team) that we could have asked for . . . **kept the party alive** and well taking our vision, vibe, and sound we wanted hitting the ground running! **We received so many compliments throughout the night.** Thank you Frobaby! Simply amazing!"
Ly

"Couldn't Have Been Better! Two words... **CO2 CANNON!** If you don't know...hire (them) and you'll find out ;) **Our DJ was absolutely amazing!** . . . I cannot tell you how many compliments I received on how fun my wedding was! There was **never a moment where the dance floor was empty.** Thank you so much for everything!"
Nicole

"**The party of the year!** A few family members went rogue and asked for a few classic Aussie songs. He managed to find those songs, **kept the party going the whole night** and **everyone was always on the dance floor.** He set the mood, the tone and was a wonderful MC. Our wedding went off without a hitch and he worked so well with all my other vendors. We planned this from far away and never actually met him in person until the day of and felt like we knew him for ages. He also provided uplighting which gave our venue that extra touch. **You won't regret hiring Frobaby Productions and worth every penny.**"

DUAL PROJECTORS AND 120" SCREENS

We set up projectors on both sides of the ballroom and can project videos and pre-recorded messages on screens or blank walls. We have experience doing this in all major ballrooms in Honolulu and know what will be most successful for each event depending on the room, layout and number of guests. Projectors are connected to the main sound system so all videos will sound perfectly clear. **Unless we are projecting on walls, client will provide two 8 foot tables to elevate each projector screen. In venues such as the full Coral Ballroom, projectors work excellent projecting on the wall wells on either side of the stage.**

KNOW THE MUSIC & VIBE WILL BE PERFECT WITH OUR SONG PRE-REQUEST APP

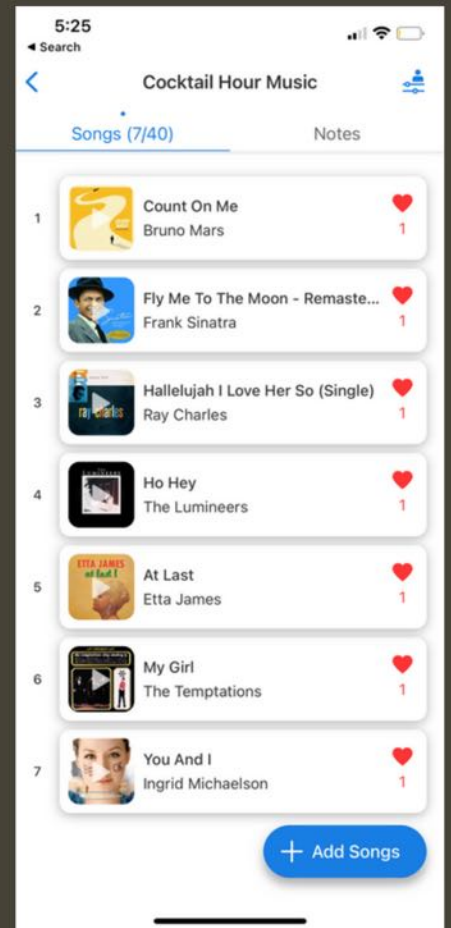

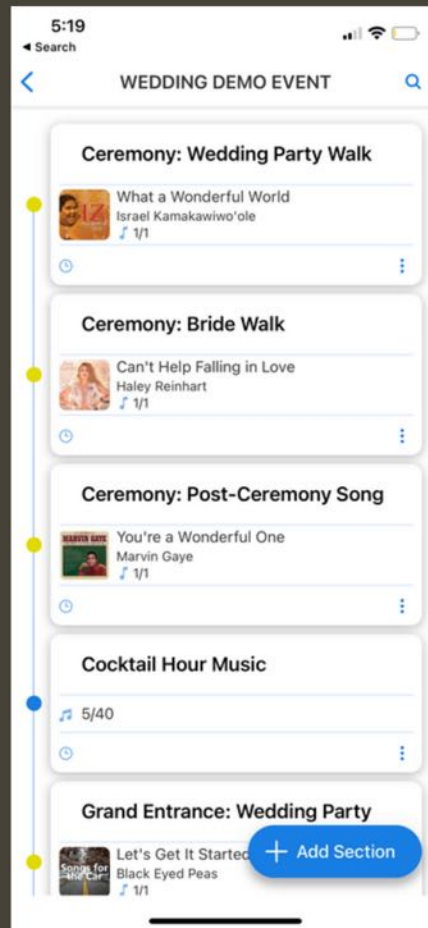

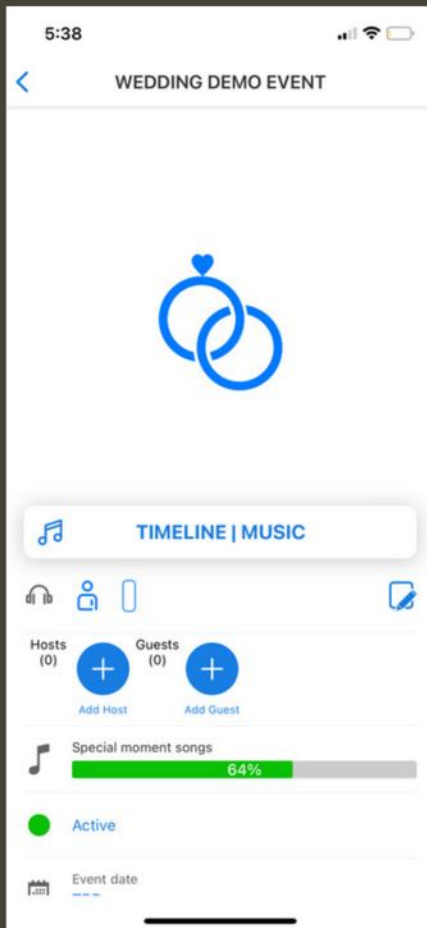

Pre-request the songs that are important to you ahead of time with our phone app!

The app uses YouTube as the "search engine" for music, however, this is only for reference. We use high quality music files that we purchase. You can also import Spotify playlists!

Invite your others to pre-request songs for your celebration or make all of the requests yourself.

Request specific songs for each timeline section of your event: cocktail hour, dinner, dance party

"Like" songs that are most important to you, or tag certain songs as **"Must Play"** or **"Do Not Play."** You choose.

TEAMWORK

m a k e s t h e d r e a m w o r k

For most military events, we work in teams of three or four members: The DJ & Assistants. This helps with speedier setup before and after the event, as well as support during the event.

Our assistant also helps the DJ communicate with guests and officers during the celebration. DJ assistants also help ensure that there are no periods of silence without music in the event that the main DJ needs to excuse himself momentarily.

Our assistants dress professionally in black and stay with the DJ throughout the event and are available to assist as needed.

ALL ABOUT OUR *Fresh Company*

Frobaby Productions has been rocking weddings, high-end balls, and corporate events for years. Our specialty is definitely WEDDINGS, especially destination weddings! We are a relaxed, professional, fun, boutique company with awesome DJ talent, high end equipment, and professionalism.

MEET THE FOUNDER

DJ Nate Burgoyne DJ'd his first party over 25 years ago in the loft of barn with his friend's turntable, a tape deck, and a CD player. He lives on the North Shore of Oahu, is a spicy food lover, surfer, ultra-runner, and does all he can to live life to the fullest and help others do the same! He was born in Hawaii has also lived in UT, CA, CO, AZ, NJ, NY, IL, CT, Spain, UK, and Taiwan.

WHERE DID THE FROBABY NAME COME FROM?

Story time! While Nate was living in Taiwan, there was this street food cart decorated with a big picture of a baby with a super cool afro. The 'frobaby' cart always caused smiles. When Nate decided to launch his DJ business, it was important to him that the company name be something fun and meaningful. And so, the Frobaby Productions wedding and event DJ team was born.
