INTRODUCING THE FROBABY DJ TEAM

WE PACK DANCE FLOORS

4 REASONS YOU ARE GOING TO LOVE WORKING WITH US:

1

WE LISTEN. You've got ideas and we've got the talent to make it happen. We listen, listen, listen, to your vision.

2

WE KEEP IT CLASSY. No distracting effects or attention-stealing MC work. We keep it refined, fun, and upbeat.

3

DETAILS MATTER. From the look of the DJ booth to the dance floor lighting, details are super important to us.

4

MUSIC & TALENT. Our DJs can match beats, mix music, adjust to the energy of the dance floor, and incorporate the songs that you pre-request ahead of time.

KIND WORDS FROM OUR COUPLES

Testimonials

"**Absolutely WONDERFUL from the start.** We don't live on the island so we were planning from afar. He gave us recommendations, ideas, and option and was always there to respond quickly. **The process was so fun and easy.** This made it stress free! Then, on the wedding day **we were blown away!** Our guests stayed on the dance floor until the night ended. Everyone was telling me what a BLAST they had! He even let me get behind the DJ booth which was hilarious and a blast for me! We can never thank you enough for being a huge part of our perfect day!"

Sammie & Mason

"We don't even know where to start, except by saying **THANK YOU, THANK YOU, THANK YOU!!!!** You **SAVED OUR DAY, COUNTLESS TIMES!** I think sometimes people don't realize the importance of your MC and DJ and what a **HUGE** role they play in the wedding day, and I am here to tell them **THIS IS AN INVESTMENT YOU WANT TO MAKE. THE BEST OUT THERE!!**"

Fatima

"Frobaby Productions was the best DJ (team) that we could have asked for . . . **kept the party alive** and well taking our vision, vibe, and sound we wanted hitting the ground running! **We received so many compliments throughout the night.** Thank you Frobaby! Simply amazing!"

Ly

"Couldn't Have Been Better! Two words... **CO2 CANNON!** If you don't know...hire (them) and you'll find out ;) **Our DJ was absolutely amazing!** . . . I cannot tell you how many compliments I received on how fun my wedding was! There was **never a moment where the dance floor was empty.** Thank you so much for everything!"

Nicole

"**The party of the year!** A few family members went rogue and asked for a few classic Aussie songs. He managed to find those songs, **kept the party going the whole night** and **everyone was always on the dance floor.** He set the mood, the tone and was a wonderful MC. Our wedding went off without a hitch and he worked so well with all my other vendors. We planned this from far away and never actually met him in person until the day of and felt like we knew him for ages. He also provided uplighting which gave our venue that extra touch. **You won't regret hiring Frobaby Productions and worth every penny.**"

YOU'LL KNOW **THE VIBE WILL BE PERFECT** WITH OUR

The app uses YouTube as the "search engine" for music, however, this is only for reference. We use high quality music files that we purchase. You can also import Spotify playlists!

Invite your fiance' or others to pre-request songs for your celebration or make all of the requests yourself.

Request specific songs for each timeline section of your wedding: first dance, cocktail hour, dinner, dancing, etc.

"Like" songs that are most important to you, or tag certain songs as **"Must Play"** or **"Do Not Play."** You choose.

WHAT IS YOUR APPROACH TO MC WORK?

MINIMAL & RELAXED

Our approach to MC work is to keep it minimal and relaxed. **We typically do an energetic grand entrance, then simply keep your guests informed of what is to come on the timeline, who will be offering toasts, when the bar is open, last call, etc.**

MC work is **usually done by the DJ.** He or she will not be telling bad jokes, annoying guests, nor stealing attention from your special day.

If you prefer a dedicated full-service comedic or entertainment focused MC, let us know and we can provide some options.

HOW MANY PEOPLE FROM YOUR TEAM ARE ON-SITE?

DJ + DJ ASSISTANT

For most events, we work in teams of two team members: The DJ & DJ Assistant. This helps with **speedier setup before and after the event,** as well as support during the reception.

Our assistant also **helps the DJ communicate with other vendors** during the celebration. For example, the DJ assistant may go check in with the photographer to confirm that they are ready to take photos before we start the first dance, or that the cake is ready to be cut before making the announcement.

A DJ assistant also helps ensure that there are **no periods of silence without music** in the event that the main DJ needs to excuse himself momentarily.

The assistant cleans up the ceremony sound system so the DJ can quickly move to the main reception area to get the cocktail hour music started on time.

Our assistants dress professionally in black and stay with the DJ throughout the event.

DANCE FLOOR LIGHTS

Included in the Celebration Package

We take an elegant approach to dance floor lighting. We have found that a solid wash of color changing lights is the perfect approach to bring fun energy to a wedding celebration without overwhelming the space. For a wedding, **we avoid distracting light dots on the faces** of your guests. Hey, it's a wedding, not a roller skating rink. **We keep it clean, energetic, and classy!** Want to upgrade the lighting even more? We have options.

ALL ABOUT OUR *Fresh Company*

Frobaby Productions has been rocking weddings, high-end balls, and corporate events for years. Our specialty is definitely WEDDINGS, especially destination weddings! We are a relaxed, professional, fun, boutique company with awesome DJ talent, high end equipment, and professionalism.

MEET THE FOUNDER

DJ Nate Burgoyne DJ'd his first party over 25 years ago in the loft of barn with his friend's turntable, a tape deck, and a CD player. He lives on the North Shore of Oahu, is a spicy food lover, surfer, ultra-runner, and does all he can to live life to the fullest and help others do the same! He was born in Hawaii has also lived in UT, CA, CO, AZ, NJ, NY, IL, CT, Spain, UK, and Taiwan.

WHERE DID THE FROBABY NAME COME FROM?

Story time! While Nate was living in Taiwan, there was this street food cart decorated with a big picture of a baby with a super cool afro. The 'frobaby' cart always caused smiles. When Nate decided to launch his DJ business, it was important to him that the company name be something fun and meaningful. And so, Frobaby Productions wedding and event DJ team was born.

FREQUENTLY ASKED
questions

Do you offer discounts?

We love what we do and we are really good at it! For the benefit of our awesome couples, we don't discount our core services. We know what we are worth and would be doing our couples a disservice to arrive thinking, "Time for another discount wedding." We want to arrive every time thinking, "Yeah baby!!! This is gonna' be the best freakin' wedding ever! Let's crush it!"

Do you offer weekday specials?

We deliver the same amazing service to our couples whether they are on a weekday or weekend! Sometimes we can bundle in an upgrade for a weekday wedding but for the same reason above, we don't discount weekday weddings.

What is your cancellation/re-booking policy?

We are flexible and easy to work with. The deposit (usually just 50%) is not refundable but will be credited toward the final balance of a new date.

Can we choose our DJ?

Yes. You can select your DJ, subject to availability. Some DJs may require an additional talent fee.

Can we choose our songs?

YES!!! You will be given access to our song pre-request app, and you'll work directly with your DJ in the months and weeks leading up to your wedding celebration. We'll nail it for you!!!

Do you take requests?

Yes, with discretion. If it's coming from the bride or groom, of course. If it's coming from drunk Aunt Dotty and doesn't fit your vibe, we'll find a way to keep her happy and not play the song.
